

# Dakota Karn Memorial Scholarship

GIPS student Dakota Christopher Karn, passed away unexpectedly at age 14. From the day of his birth, Dakota was a special gift. He immediately brought his family and their friends together in a way that his family had never seen before.

Dakota meant so much to his family and friends, and how he enriched their lives. His gift was unconditional love. Dakota believed everyone was his friend, and it may have been true. He would talk to anyone, say "hi" to anyone, and was always ready with a hug for anyone that would have one. Dakota had the great gift of never having a bad day; even when he should have, he didn't. A day didn't go by that he didn't smile or laugh and make someone else smile or laugh. He made others feel better, even when he wasn't feeling his best. He lived his life in an amazing way.

Dakota loved to go to school every day. He loved being with his friends and being a part of their lives. From Stolley Park Elementary to Barr Middle School, he had made so many friends and loved to go watch sporting events and hang out with them. Dakota was so looking forward to high school; and talked about it all of the time.

Dakota's parents were always amazed and thankful of how well everyone treated Dakota. With this scholarship, they want Dakota's gift of love, helpfulness and zest for life to live on.
