Impact, the effect or influence of **one person**, thing, or action, on another. The power of your influence is built one person at a time. All 1,481 staff members have the potential to make a huge impact together.

YOU inspire our community to invest in the mission of the GIPS Foundation. Because the GIPS staff gives at a consistent 90% rate year after year, the Foundation has been able to add \$22.16 for each dollar you invest.
