

Lori Sextro Memorial Fund

Innovation Tank Grant Program

The family of Lori Sextro established this fund to honor her memory and continue her legacy by investing in the students and educators of Grand Island Public Schools. Lori believed deeply in the power of kindness, hard work, and education. She encouraged her three boys to pursue their dreams, embrace family, and above all else, find happiness in life. Through this memorial fund, her family provides resources that create meaningful learning opportunities for GIPS students and teachers.

Eligibility and Purpose

The Lori Sextro Memorial Fund will offer grants annually to benefit students via the GIPS Foundation's Innovation Tank Grant program. The grants will be funded using the standard procedures for the Innovation Tank as determined by the GIPS Foundation.

Amount

The cap for funds distributed will not exceed \$1,200

To Apply

Complete the Innovation Tank Grant online application form at <https://gipsfoundation.org/programs/grants/innovation-tank-application.html>

Deadline

Innovation Tank Grant applications are accepted on an annual basis. See application deadlines at <https://gipsfoundation.org/programs/grants/innovation-tank.html>

Selection Committee

A committee approved by the Foundation Board will select the recipients from the requests submitted.

Administration

1. The Grand Island Public Schools Foundation Board of Directors will administer the fund per the Foundation policies and guidelines.
2. The fund will be classified as a spendable fund.
3. Funding decisions will be approved by the Foundation Board of Directors.
4. When program and individual grants are made, checks will be made payable to institutions, organizations, clinicians, tutors, etc. on behalf of benefitting Grand Island Public Schools students.
